

OVERVIEW: Mazama COVID Protocols

This is an overview of our COVID Protocols. Review full protocols at mazamas.org/COVID/

Date: March 30, 2021

FACE COVERINGS

REQUIRED

Required for all individuals 5 and up in Mazama activities/facilities.

INDOORS

Two layers of fabric
Double mask preferred
Worn at all times

OUTDOORS

Single layer is acceptable
Required within 6-ft of others

SPACING

6 FEET

Maintain 6-feet when possible; limit duration of time if less than 6-feet.

CARPOOLING

Mazama activities begin and end at the trailhead. It is up to the activity participants how they choose to travel to and from the activity.

COVID FORM

REQUIRED

Required prior to participation. Automatic when signing up online. Responsibility of activity leader if allowing in person signup.

FOOD

WRAPPED

Potlucks & group eating arrangements prohibited. Individually wrapped food may be shared.

TRAVEL

VARIES

All Mazama activity/program leaders must have up-to-date knowledge of state, county, city and land manager regulations, and must follow all guidelines in the area they are traveling.

GROUP SIZE

VARIES

Hikes: 15 people or fewer; if wilderness, 12 or fewer.

Climbs: 12 people or fewer.

MMC Holman Auditorium: 15 people or fewer.

BCEP Teams: Limited to preassigned cohorts.

MMC USAGE

MMC—scheduled courses and activities only and limited to the main floor. Individuals must sign in upon entry.

REPORTING

Participants who develop COVID symptoms within 10 days of a Mazama activity or learn of a pre-activity COVID exposure will report that information at mazamas.org/COVID
